Believe it or not, it has really been a great pleasure knowing a person such as yourself. You have really added something important to our school. You are one of the finest boys I know, and I admire and respect you very much. May everything in life that is good be yours.

Always your friend,
Charles Shafer

Dear Warren,

Remember When.....

Dear Warren,

You just don't realize how much I have taken up with you this last semester. I know I tease you a lot and make you mad but still you and Donald are the best friends I have or ever expect to have. No one could ask for a truer friend than you have been. I wish you luck throughout your entire life. I'm sure anyone with your intelligence doesn't need much luck but you have mine anyway. I am anticipating on going to school with you next year.

Yours truly,
James Gily

Warren,

I really think you are one of the nicest boys I have ever known, even though you are a true "Romeo".

I think we have had a lot of fun this year. I never laughed so much in all my life as I did when I saw you in the arms of Linda Gill. I wish I had had a movie camera; taking a picture of that would really have been a thing to keep and maybe bribe you with.

Also, I have enjoyed visiting you at the home of Mr. & Mrs. Johnson, and I plan to play croquet with you. I want you to visit me some more.

I hope my getting out of high school doesn't end our friendship.

A friend,
Donald Carrell
